### Day 2 - 70km, 700m+

Our first day on the road gives us the opportunity to get accustomed with the roads and the humidity of the island. Mostly easy, gently up and downs through some beautiful and remote villages nicely set among ricefields and little temples. Our first day features an "easy" ride surrounded by rice paddy fields on the outskirts of Ubud, to continue through the magnificent temple of Taman Ayun in Mengwi, and finish in Tanah Lot, where we stop for our first night.

After lunch and check-in at the hotel, all riders will have the possibility to visit Tanah Lot and the great occasion of finishing the day by looking at the sunset in one of the most iconic spots of Bali.

ETD from Ubud: 8:30am

ETA in Tanah Lot: 2pm

### Day 3 - 75km, 1200m+

We will leave our hotel after a light breakfast and slowly start for our glorious day on the saddle. Gently uphill out of town, we will hit the best and quietest backroads and head to the UNESCO heritage site of Jatiluwih, through some 20km of easy-ish climbing. After some great riding overlooking the vastest ricefields in SE Asia, and lots of pictures, we will head down towards hidden villages, small temples, quiet roads and great fun. Lunch on a typical restaurant overlooking the fields and then back on track to Ubud, where our tour will end.

ETD from hotel: 8:30am

ETA at the next hotel: 1pm

### Tour information

Please note that the routes are subject to change, based on unexpected circumstances such as road closures, or just because we have found a better route in the meanwhile. This does NOT affect the pricing.

Average speed is an estimate, we may need to adjust it based on the group's performance. The departure times are planned in a way to leave enough time to the riders to be able to rest at the end of each day and enjoy the location/hotel facilities.

Bali is a fairly hilly island. Average speed is expected to suffer on the harder days. The support car is there for a reason, don't be shy.

Hotel choice has been determined by the organizers trying to combine it with the route in an optimal way. We will try at all times to stay in the best hotels we can find, and this may sometimes be difficult especially in the areas of Munduk and in the North of the island. Star rating of our hotels will be 4 stars at least in most cases, but a 3 star hotel may be the only choice for a night or two. After a hard day on the saddle the last thing you want is a crappy uncomfortable hotel.
